The **Elemental Plane of Water** exists in a separate dimension than the World. It was created in the year 300,406,781 BR after The Battle of The Typhoon when the Prime [Elohim](#) 'The Source' kills Zo-Tag, The Typhoon, using an echo of the Great Old One's power to create the element of Water, he formed the **Plane of Water** to regulate the Chaos of Water throughout the multiverses, then creating the Water Primordial, [Hydros](#) to oversee its regulation, and governance. This is the dimension from which all water chaos flows.
